# COMPANY OVERVIEW

AQIRO ORBIS is a leading engineering and interiors solutions provider based in the UAE, delivering integrated services across multiple disciplines.

We specialize in steel fabrication, kitchen & equipment solutions, interior fit-out, joinery, MEP services, cladding, and architectural metal works.

With a strong foundation in engineering excellence, modern manufacturing, and innovative technologies, we deliver tailored end-to-end solutions for projects across commercial, hospitality, residential, and industrial sectors.

From concept to completion, our commitment to precision, quality, and seamless execution ensures exceptional project outcomes and long-term client satisfaction.

## OUR PURPOSE

To build solutions that inspire progress and enhance modern living environments.

## OUR CLIENTS

We partner with developers, consultants, contractors, restaurants, hospitality groups, and businesses across diverse industries.

## OUR COMMITMENT

Committed to excellence in every detail, every project, and every delivery.

## OUR QUALITY

Quality is not an act — it is our standard and working culture.

## OUR APPROACH

Collaborative. Transparent. Reliable. Focused on long-term partnerships and successful execution.

## OUR REACH

Proudly serving projects across the UAE & GCC region with a growing industry presence.

# VISION & MISSION

Guided by our vision and driven by our mission, we are committed to shaping a better built environment for generations to come.

## OUR VISION

To be a leading engineering and interiors solutions provider in the UAE and beyond, recognized for excellence, innovation, and sustainable contributions to the built environment.

## OUR MISSION

To deliver end-to-end engineering and interiors solutions that exceed expectations through innovation, precision, and unwavering commitment to quality, safety, and sustainability.

## CORE VALUES

Our core values define who we are and guide every decision we make.

### EXCELLENCE

We strive for excellence in every project, delivering superior results with attention to detail.

### INNOVATION

We embrace innovation and advanced technologies to create smarter, better solutions.

### INTEGRITY

We conduct our business with honesty, transparency, and strong ethical principles.

### TEAMWORK

We believe in the power of teamwork and collaboration to achieve shared success.

### COMMITMENT

We are committed to our clients, our people, and our promises – delivering on time, every time.

### SUSTAINABILITY

We build responsibly with a focus on sustainability and a better future for our community.

# MEP SERVICES

Mechanical, Electrical, and Plumbing solutions delivered with efficiency and reliability.

At Aqiro Orbis, we offer end-to-end MEP solutions for commercial, retail, hospitality, and industrial projects. Our experienced engineers and technicians ensure systems are designed, installed, tested, and maintained to the highest standards of safety, performance, and energy efficiency.

We are committed to delivering reliable, sustainable, and cost-effective MEP solutions that power your spaces and support your success.

## INTEGRATED SOLUTIONS

Comprehensive MEP services under one roof for seamless project execution.

## QUALITY & SAFETY

Built to international standards with a strong focus on safety and compliance.

## ENERGY EFFICIENCY

Smart and sustainable systems designed to optimize performance and reduce costs.

## ON-TIME DELIVERY

Efficient planning and execution to ensure projects are delivered on schedule.

## RELIABLE SUPPORT

Dedicated support and maintenance for long-term system reliability.

## OUR MEP SERVICES

### MECHANICAL SERVICES

HVAC system design & installation, ventilation, air conditioning, ducting, and insulation solutions for optimal comfort and performance.

### ELECTRICAL SERVICES

Power distribution, lighting, ELV systems, fire alarm, data & communication, and complete electrical installations.

### PLUMBING SERVICES

Water supply, drainage, sanitary systems, water treatment, and plumbing installations with high-quality materials.

### FIRE FIGHTING SYSTEMS

Fire protection system design, installation, testing, and maintenance for maximum safety and compliance.

### BMS & CONTROLS

Building Management Systems and smart controls for monitoring, automation, and energy optimization.

### TESTING & COMMISSIONING

Rigorous testing and commissioning to ensure systems operate safely, efficiently, and reliably.
